

Dear Parent,

PARKING ON AND OUTSIDE THE PROMENADE

You will have noticed that it is becoming more difficult to park outside the Prom on Saturdays and Sundays. Increased parking restrictions have made things very difficult and dropping players off is a hazardous business which raises concerns about the safety of our players.

Maldon District Council has informed us that they wish to charge everybody who uses the Promenade, irrespective of whether they are involved in football training or matches. As you know parking on the promenade is expensive but I am pleased to say that the Council has agreed a concessionary arrangement whereby members of our Club will be able to buy a season permit to park on the Promenade for Saturday morning training and for Sunday matches. The cost of these permits will be a very reasonable £5 each.

You will know club funds are very limited and we are keeping what reserves we have to contribute to the Clubhouse refurbishment. We are therefore asking Club members who would like a permit to complete the slip below and **return it with £5 to their team manager.**

If you have any questions about current parking arrangements or the new scheme please contact Garry Cole, Club Treasurer on 07508039840.

Yours sincerely,

Joe Stevens

Chairman
